Incident Details

incidentDate: 8 September 2026
location: 24 Green Valley Road, Hyderabad, Telangana
description: I, Rajesh Kumar, am submitting a property insurance claim for damage to my residential property located at 24 Green Valley Road, Hyderabad, Telangana. The property is a two-storey residential house insured under Property Insurance Policy No. PI-2026-458921. On 8 September 2026, heavy rainfall accompanied by strong winds caused significant damage to the property, including roof leakage, damage to the ceiling and interior walls, broken window panels, and water damage to electrical fittings and household belongings. The incident occurred during severe weather conditions, and photographs, repair estimates, and supporting documents are available as evidence. I request the insurance company to inspect the property, assess the extent of the damage, and process the claim according to the terms and coverage provided under my policy. The estimated repair and replacement cost is approximately ₹13,50,000.
