Incident Details

incidentDate: 12 September 2026
location: Dubai International Airport, Dubai, UAE
description: On 12 September 2026, I was traveling from Hyderabad, India, to Dubai, UAE, for a family vacation. During my trip, my checked baggage was delayed for more than 24 hours after arriving at Dubai International Airport. The baggage contained essential clothing, medicines, and personal belongings, which forced me to purchase necessary items immediately. I reported the issue to the airline baggage service desk and received a Property Irregularity Report (PIR). I am submitting this travel insurance claim to request reimbursement for the emergency expenses incurred due to the baggage delay, along with compensation as per the travel insurance policy terms.
